WASHINGTON, FRIDAY, MAY 5, 2023

No. 77

House of Representatives

The House met at 11 a.m. and was called to order by the Speaker pro tempore (Mr. McHENRY).

DESIGNATION OF THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC,
May 5, 2023.

I hereby appoint the Honorable PATRICK T. McHENRY to act as Speaker pro tempore on this day.

KEVIN MCCARTHY,
Speaker of the House of Representatives.

PRAYER

The Chaplain, the Reverend Margaret Grun Kibben, offered the following prayer:

Hear our prayers, O Lord, this day, as we lift our voices with those around the country who just yesterday joined to share in faith on the National Day of Prayer. We call on the profound power of prayer, as together we offer our own prayers from a variety of religious traditions, each yielding ourselves to Your divine guidance, praying for Your deliverance, and leaning on Your divine promise to hear our prayers and heal our land.

May our unified voices move mountains and remove barriers to achieving our common purposes, obstacles in the way of our shared goals. May our expressions of faith, even when it is no larger than a mustard seed, prove effective enough to reveal possibilities in the face of the apparent impossibility of finding comity in our efforts.

As we pray, be it of one accord as yesterday, or in the solitude of our hearts today, empower us, collectively and individually, to influence the course of our society. May our faith in You turn the tides of tyranny, dissuade us from disrespect, and free us to forge

roads toward civility in our homes, in our communities, and in our Nation.

Lord, hear the prayers of the righteous and show mercy to the rest of us, so that we would receive the blessing of Your response.

In Your sovereign name we pray.
Amen.

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

CELEBRATION OF BERT
BERKLEY'S 100TH BIRTHDAY

HON. EMANUEL CLEAVER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Friday, May 5, 2023

Mr. CLEAVER. Mr. Speaker, I rise today to celebrate and honor Mr. Bert Berkley for his decades of service to Missouri's Fifth Congressional District and to congratulate him on his most recent milestone: his 100th birthday. A fine example of what it means to dedicate your life to service. Bert spent his career finding ways to improve quality of life within his community and beyond.

Born and raised in Kansas City, Missouri, Bert grew up surrounded by the entrepreneurial spirit epitomized by his family, which founded Tension Envelope, now known as Tension Corporation. The Kansas City-based company, which initially specialized in advertising novelties and business stationery, was established in 1886 under the direction of William Berkowitz and Maurice Berkowitz—Bert's grandfather and great uncle, respectively.

Bert was passionate about the family-owned business early in his career, preparing himself for future responsibilities by studying economics at Duke University. With World War II underway, Bert was deployed to the Philippines where he worked as a quartermaster, managing valuable equipment and supplies. After three and a half years, he was able to leave a day early if he signed up for the Army Reserves, which he did. On his return home, Bert fell in love and married his life-time partner and mother of his children, Joan, in 1948. Bert went on to obtain a Master's in Business Administration from Harvard Business School in 1950 and was starting what would become a successful career when he was sent to active duty once again to serve in the Korean War. During these 17 months of service, Lieutenant Berkley led an infantry platoon and came close to losing his life in combat, an experience that would change his life forever. As a result of the hardships he endured in Korea, Bert made a promise that if he made it out of the war alive, he would dedicate his life to serving others and giving back to the community.

As life would have it, Bert returned to his family untouched and with a desire to transform his community for generations to come. Named the new president and CEO of the Tension Corporation in 1962, Bert helped transform the business into the empire it is today, expanding its horizons across the globe. By evolving along with the industry

throughout his 27 years of service as CEO, Tension Corporation continues to be one of the most successful envelope makers in the world. Still, Ben's success and dedication go beyond his entrepreneurial endeavors. Indeed, it is his selflessness in serving the Kansas City community in order to find new ways to create positive change that truly makes Bert so special.

As an avid advocate of mail exchange, Bert served as the immediate past chairman of the Global Exchange Alliance, an international organization that focuses on the quality of global mail exchange. In this role, he visited various countries such as China, Taiwan, and Thailand to speak to postal service leaders to learn more about mail systems around the world and how they could be improved. Thanks to his exceptional leadership skills, Bert was able to lead many Kansas City organizations including the Greater Kansas City Chamber of Commerce as chairman, and the Kansas City Civic Council.

Bert recognized the importance of providing equitable access to education and social services to children and families and made it his mission to be involved in whatever capacity to ensure he could help create positive outcomes for families in Kansas City. As a result, to his passion for education and bettering his community, he served as a board member of the Institute for Educational Leadership, based in Washington, D.C., which is a hands-on think-tank on K–12 education. Additionally, Bert was a member of the Dean's Advisory Council of the Harvard Graduate School of Education, a member of the Smithsonian National Postal Museum Advisory Council, and a board member of Turn the Page KC, an organization focusing on achieving grade level reading by third grade. Most notably, his creation of the Local Investment Commission (LINC) in Kansas City spearheaded a national movement in social services and public-private partnerships that put children and families at the forefront.

Bert envisioned the impact state localized resources could have on Missouri's families if they could land in right hands. After a roundtable meeting with Gary Strangler, the Department of Social Services director in 1989, Bert sought ways to improve the capacity of state departments while using their resources to fulfill the needs of communities. LINC's innovative ideas helped shape the welfare-to-work programs we see today and provided a breakthrough on how to use grant funds and state resources to invest back into local communities. The program was so successful that President Clinton even pointed to LINC as an inspiration for his efforts toward expanding welfare programs across the nation. The program grew to offer before and after school programming for Kansas City Public Schools and other districts, providing care for children of working families. His positive influence on generations upon generations is a testament to his compassion and desire to help others.

Mr. Speaker, please join me and Missouri's Fifth Congressional District as we forever enshrine our gratitude for the work of Bert Berkley and as we wish him the happiest of birthdays. Bert continues to be a local hero, a symbol of kindness, a considerate friend and companion, and a wonderful father, but most importantly, he is a kindhearted human being. On this special occasion, let us honor the legacy that Bert Berkley has given us throughout his distinguished career.

Ms. BLUNT ROCHESTER. Mr. Speaker, I rise to commemorate the life and legacy of a giant of our community—Mr. Maurice Pritchett. Mr. Pritchett, surrounded by his family, was called home to his Creator on April 21st, at the age of 80. The 80 years that Mr. Pritchett spent on Earth were a testament to an inherent optimism—an exercise in making his community, and in turn this world, a better place.

Raised on the East Side of our beloved Wilmington, a young Maurice Pritchett would excel in the classroom and on the basketball court. He would go on to attend the historic Howard High School and earn Wilmington All-City Honors. His academic and athletic prowess would take him from Wilmington to Dover—earning a full scholarship and attending what was then known as Delaware State College. His career with the Hornets would earn him induction into the Delaware State Basketball Hall of Fame and the Delaware Afro-American Sports Hall of Fame.

And while his success on the court was evident, the true gift of his time at Delaware State University was the fostering of his true passion and what would go on to become his life's work—public education. He first taught in Cecil County, Maryland—eventually finding his way back to the school he had attended as a young boy, Bancroft Elementary. Starting as a community school coordinator, he rose to become vice principal and then principal. He served the students and families at The Bancroft School for over thirty years and in the 1994–95 school year, was honored as the National Distinguished Principal for Delaware.

Mr. Pritchett also devoted a great deal of his time helping students outside of the classroom, coaching the Delaware high school All-Stars and helping prepare our young people for the next phase of their life.

All of those accomplishments and accolades may provide some context for the skill, intellect, and work ethic of Maurice Pritchett—but they fail to paint the full picture of who he was and what he meant to our community. We're all so grateful to his wonderful wife, Juanita, and his loving children and grandchildren for sharing Mr. Pritchett with us for so many years.

An old Greek proverb reads, "A society grows great when men plant trees in whose

shade they shall never sit." Maurice Pritchett spent his life planting trees of wisdom, hope, and love in our community. We were blessed that so many of them blossomed while he was still with us—and thanks to the work in his life, his legacy will be those yet to bloom—and the shade we'll all enjoy in his name.

HON. J. LUIS CORREA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 5, 2023

Mr. CORREA. Mr. Speaker, I rise today to honor the extraordinary career of Edward F. Gerber.

During his 30 years of service at Lestonnac Free Clinic, he has been relentless at finding solutions to fill critical gaps in healthcare for the most vulnerable residents in Southern California.

Edward F. Gerber expanded from one primary care medical clinic to fourteen satellite clinics offering twenty-five specialties across four counties. Since 2008, when he began as the Executive Director, Lestonnac Free Clinic has provided 359,277 patient visits.

He also secured an additional \$3.5 million dollar donation to build a state-of-the-art two operating room surgery center that will allow Lestonnac Free Clinic volunteer surgeons to provide free surgeries, which will alleviate financial strains and community resources on local hospitals. This surgery center will be the first of its kind in the United States and will model what is possible through love and a desire to help others.

It is my utmost privilege to honor this humble and hard-working man. Mr. Speaker and colleagues, please join me in acknowledging the career and accomplishments of Edward F. Gerber.

RECOGNIZING THE WORK OF THE CHEROKEE HISTORICAL AND PRESERVATION SOCIETY AND THE ADDITION OF THE CHEROKEE COUNTY MUSEUM

HON. RALPH NORMAN

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 5, 2023

Mr. NORMAN. Mr. Speaker, I rise today to recognize the outstanding work of the Cherokee Historical and Preservation Society (CHAPS) on the occasion of the grand opening of a new wing at the Cherokee County Museum.

The CHAPS is a nonprofit organization founded in 1969. Their mission to "preserve our region's history and cultural heritage" is imperative. One of its goals from the start was to create a history museum for Cherokee County, South Carolina.

That goal became a reality in May of 2008, when the Cherokee County History and Arts Museum opened to the public. This May, the organization is excited to open a new wing. The Cherokee County Museum is now home to a vast collection of artifacts presented through interactive exhibits and displays.

The new wing of the museum offers brand new exhibits that will enrich visitors of all ages. The "Culture Zone" houses History Galleries, Arches, and Genealogy rooms. The improved "Kids Zone" includes a STEM Lab and Arts Experience. The "Sports Zone" has a sports Hall of Fame and training room. In addition, an immersive theater allows visitors to travel through space, into the seas, and through time.

Through the hard work of its volunteers and supporters, the Cherokee Historical and Preservation Society has established the improved Cherokee County Museum as a major educational institution to South Carolinians and visitors alike.

From its opening in 2008, to its major expansion today in 2023, thousands of students, community members, and tourists have learned about Cherokee County's unique role in South Carolina's history and culture.

On behalf of the 5th District of South Carolina, it is my most sincere pleasure to recognize the Cherokee Historical and Preservation Society on its long-lasting impact on the community, and its great service of education to our state. Please join me in congratulating the Society on its opening of the newly expanded Cherokee County Museum.

HONORING PRIVATE FIRST CLASS ROBERT LEVIN FOR HIS EXEMPLARY MILITARY SERVICE IN WORLD WAR II

HON. RICHARD HUDSON

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 5, 2023

Mr. HUDSON. Mr. Speaker, I rise today to honor Private First Class Robert Levin for his exemplary military service to our Nation during World War II.

After graduating from North Carolina State College, PFC Levin was called to service after the U.S. entered World War II. He was sent to

Camp Upton in New York before being relocated to Camp Wheeler in Georgia for basic training. He applied for Officer Candidate School at Fort Benning, but before a new class could begin, he was sent to Baltimore to ship out overseas to North Africa as an infantryman in the 36th Division. The division moved from North Africa to Italy where PFC Levin was wounded and taken captive by the Germans in the Battle of the Rapido River near Monte Cassino. He spent 13 months as a prisoner of war at numerous prison camps, most notably Oflag 64. Here, PFC Levin was deprived of food and dug through trash cans to survive. In January 1945, he was rescued by Soviet Russian forces and later returned home to the U.S. in April. After the war, he was discharged and returned to civilian life on account of his Adjusted Service Rating Score.

In recognition of his outstanding military service, PFC Levin was awarded a Purple Heart and the POW Medal for his time as an American in Prisoner of War Camps. As a civilian, he returned to North Carolina State to complete graduate study before moving to Danville, Virginia to pursue a career in the textile industry with Dan River Mills. In Danville, he met Carlene Hardy, his wife of 71 years. They now reside in Southern Pines, North Carolina.

On April 30, 2023, PFC Levin turned 103 years old. His incredible service and sacrifice in World War II represent the best our Nation has to offer, and we will look up to his leadership for generations to come. On behalf of North Carolina's Ninth District and our entire country, I would like to extend him my most heartfelt appreciation for his courage and leadership. I know I speak for our entire community in wishing him and his family the best going forward.

Mr. Speaker, please join me today in honoring Private First Class Robert Levin for his outstanding service and leadership during World War II.

HONORING DR. KARENINA
"KAREN" RELUCIO

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 5, 2023

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor Dr. Karenina "Karen" Relucio for receiving the Napa Solano Medical Society's (NSMS) Professor Emeritus Award and for her service to the residents of Napa County and California's Fourth Congressional District.

The Napa Solano Medical Society's Professor Emeritus Award is not granted every year. This high recognition is reserved to a few individuals who have shown exemplary commitment to healing and teaching medicine to colleagues and other young physicians in the community.

In her role as Napa County public health officer, Dr. Relucio was a member of the Napa County Health and Human Services Executive Leadership Team. She led the department's public health and policy work by engaging and supporting a staff of 75 employees.

Dr. Relucio was also essential to Napa County's response to the COVID pandemic. She served as the incident commander for

local pandemic response, where her community-centered, strategic approach to crisis management made her a vital resource to the district. During the pandemic, Dr. Relucio was also director-at-large of the NSMS Board of Directors and often hosted weekly meetings with NSMS members to dispense critical information pertaining to the pandemic. She further coordinated medical volunteers to deliver essential COVID testing kits and personal protective equipment to Napa County. Her ability to assess and address operational issues from a management and a physician's perspective was integral as part of "Live Healthy Napa County," a multisector effort centered on generating collective improvements to health and wellness, the social determinants of health, and health equity.

Dr. Relucio's outstanding dedication to public health has been recognized with many other recent awards. In 2020, she was named the Napa Solano Medical Society Physician of the Year. She was also previously selected by Senator Bill Dodd to be honored by the Legislative Women's Caucus as a Woman of the Year in 2021. Similarly, Dr. Relucio was the Napa Chamber of Commerce Citizen of the Year in 2022.

Mr. Speaker, Dr. Karen Relucio has dedicated her life to ensuring the health and wellness of those in our Napa community.

RECOGNIZING THE NEVILLE PUBLIC MUSEUM OF BROWN COUNTY

HON. MIKE GALLAGHER

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Friday, May 5, 2023

Mr. GALLAGHER. Mr. Speaker, today I rise to recognize the Neville Public Museum of Brown County for once again receiving accreditation by the American Alliance of Museums, the highest national recognition afforded to the Nation's museums.

Starting from humble beginnings in 1915, nine members of the Green Bay Art Club came together and held a one-week exhibit in the basement of the local library to showcase objects from the Greater Green Bay Area. Following increased interest, the library soon ran out of space and in 1923, Mr. and Mrs. George Mason of New York City donated \$60,000 to build a permanent museum. In return for their donation, the Mason family asked that the museum be named after Mr. and Mrs. Arthur Neville in honor of their dedication to the Green Bay community. On 1927, the Neville Public Museum opened to the public.

Throughout the years, the Neville Museum has continued to showcase the happenings of the world to the people of Northeast Wisconsin. As their mission states, the Neville Public Museum has continued to bridge the multi-generational communities through exceptional exhibits and innovative programming. In recognition of the continued work and dedication, the Museum received accreditation by the American Alliance of Museums. Receiving this award represents the difference the museum has made in education, the local economy, and on the diverse cultures and heritage within our communities by displaying history science, and art. The Neville Public Museum is now one of the twenty-one museums in the State of Wisconsin with accreditation.

The Neville Public Museum joins just over 1,100 currently accredited museums. Accreditation is a rigorous process that consists of a year self-study, an independent body of museum professionals, and a visitor committee report. Museums seeking accreditation must undergo this process every 10 years and this is an incredible feat for the Neville Museum. Of the over 33,000 museums nationwide, the Neville Museum once again joins an elite group of museums in the country.

Mr. Speaker, it is my honor to recognize the Neville Public Museum of Brown County for receiving accreditation by the American Alliance of Museums. I extend my sincerest congratulations to the museum's Executive Director, Beth Kowalski-Lemke and to the entire Neville Museum staff on this outstanding honor.

HONORING SERGEANT SARAH
PARKE, 2023 OFFICER OF THE
YEAR

HON. MIKE BOST

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Friday, May 5, 2023

Mr. BOST. Mr. Speaker, I rise today to honor Sergeant Sarah Parke of the West City, Illinois Police Department in recognition of her being named the 2023 Officer of the Year by the Illinois Association of Chiefs of Police.

Over Sgt. Parke's decade of service with the West City Police Department, she has received numerous accolades for her performance and professionalism. And her quick actions have helped save multiple lives.

Sgt. Parke received an award for saving the life of a man who collapsed on a treadmill in 2019. If not for her intervention before paramedics arrived, he may well not have survived. In 2021, Sgt. Parke again saved the life of an unresponsive man by performing CPR until a delayed medical response could arrive.

In July of last year, the West City Police Dispatch received a 911 call only stating, "It's so hot." Sgt. Parke raced to the scene of the house fire and courageously saved a man by dragging him from a burning building while putting out the flames on his clothes.

Last November, she performed CPR on a man who collapsed outside of a restaurant, obtaining a pulse before medical staff arrived.

Sgt. Parke's service does not end when her work shift does. In her personal time, she gives back to her community, including by initiating the "Backpack Project," which aims to help homeless people by providing them with warm clothing, toiletries, and other essentials.

Sgt. Parke also oversees the West City Police Department's "Shop with a Cop" program, which raises funds for children in need and provides shopping trips, decorating, and a major Christmas party for them and their families.

Please join me in recognizing Sergeant Sarah Parke, 2023 Illinois Officer of the Year, and wish her continued success in strengthening and protecting her community for years to come.

HONORING THE LIFE OF LOUIS BARTOLINI

HON. JARED HUFFMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 5, 2023

Mr. HUFFMAN. Mr. Speaker, I rise today in memory of Louis (Lou) Bartolini, who passed away at the age of 91 on April 2, 2023, to recognize his extraordinary contributions to Marin County.

Born in the Hunters Point neighborhood of San Francisco in 1932, Lou grew up in the Bay Area, learning French as his first language. He attended St. Ignatius College Preparatory and the University of San Francisco before joining Merrill Lynch, where he served a long career as a broker. From San Francisco, he relocated to the Black Point neighborhood of Marin County with his wife Margaret Bartolini, whom he married in 1991.

After retiring, Lou dedicated his time, skills, and funds to the community. He joined the Board of Westamerica Bank, served as a district governor with the Rotary Club of San Rafael, participated as a member of the Marin Forum, and managed the campaign of former San Rafael Mayor Al Boro. Lou's local leadership, however, was most prominent in the arts.

Lou was a patron of the arts and champion of the local community. He and his wife, Marge, were the principal benefactors of the Marin Center's art exhibit, aptly named the Bartolini Gallery, a longtime dream of the community made possible in 2015 by the couple's generosity. With this public gallery, Lou envisioned a space to showcase local artists work and ensure "arts for all." The 2,000 square-foot gallery prioritizes representation of diverse and underserved communities, from exhibits celebrating artists over the age of 80 to Marin City's 80th anniversary. Beyond visual arts, Lou was also a benefactor of the Marin Symphony and served as the organization's board president.

Along with his strong work ethic and effectiveness, Lou was known for his positive attitude, quick wit, and humble demeanor. While he will be greatly missed, his legacy will live on through the positive impact he had on his community.

Lou is survived by his wife of 31 years, Marge; his three children: Paul, LeeAnn, and Mark; two stepdaughters: Leslie and Amy; 9 grandchildren; and 6 great-grandchildren.

Mr. Speaker, I respectfully ask that you join me in extending condolences to Lou's family and friends and in expressing my appreciation for his decades of public service in his community.

RECOGNIZING THE SERVICE AND CAREER OF CHIEF HAROLD DAVID ROSSMAN, JR., OF THE LAKE ORION POLICE DEPARTMENT

HON. LISA C. McCLAIN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Friday, May 5, 2023

Mrs. McCLAIN. Mr. Speaker, I rise today to honor the retirement of Chief Harold David Rossman, Jr., who has dedicated his life to serving the people of the Lake Orion community and of our great state.

Harold began his police career in 1987 as a reserve police officer in Lake Orion, and over the years, he also served Almont and Clarkston as a part-time officer. Chief Rossman began his full-time career in law enforcement with the Wayne County Sheriffs Office in 1995 while he was still part-time with the Lake Orion Police Department. Chief Rossman became a full-time police officer in Lake Orion that same year, was promoted to lieutenant in 2001, and after almost 20 years of distinguished service, was tapped for chief of police.

Chief Rossman's selfless and tireless dedication to law enforcement and the safety of our community serves as an inspiration to all of us who value public safety.

One of the most fundamental services in any community is law enforcement. Throughout his extensive career, Harold Rossman accepted great responsibility and faced many unique challenges requiring courage, preparation, and skill. In his service, Chief Rossman has guided Lake Orion through many new pressures to the balance of public safety and the rights of individuals. His distinguished leadership, coupled with his integrity, professionalism, and kind presence throughout the community, has earned him well-deserved appreciation and respect. Chief Rossman's extraordinary tenure in public service is something we should all be proud of.

Beyond his service as a dedicated law enforcement officer, Chief Rossman deeply enjoys NASCAR, spending time with his grandchildren, and interacting with the Lake Orion community.

I know that the Lake Orion Police Department and the wider community will miss his presence as chief. Chief Rossman's legacy will undoubtedly continue to inspire future generations of law enforcement officers and community leaders. I look forward to his continued presence as he navigates the reward of retirement.

On behalf of the people of Michigan's Ninth District, I want to thank Harold David Rossman, Jr., for his tireless dedication and service to our communities. We wish him all the best in his retirement, and we know that he will continue to be a great resource to our community in whatever capacity he chooses to serve.

RECOGNIZING THE KANSAS CITY SPORTS COMMISSION & FOUNDATION

HON. EMANUEL CLEAVER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Friday, May 5, 2023

Mr. CLEAVER. Mr. Speaker, I rise today with immense pride to recognize and celebrate the Kansas City Sports Commission & Foundation for their contributions and achievements in promoting Kansas City sports locally and nationally in order to create economic development and recreational opportunities to achieve a better quality of life for the Greater Kansas City area. Notably, they are responsible for the 2023 NFL Draft's selection of Kansas City, and most recently, the selection as a host city for the 2026 World Cup. It is through the advocacy, passion for sports and its benefits, and overall dedication to our community that the Sports Commission enables others to see the immense potential Kansas City has to offer that too often has been overlooked. I am truly honored to represent an organization who works selflessly for the improvement of their community.

The KC Sports Commission and Foundation first opened its door as a privately funded,

nonprofit membership organization on January 12, 1966. With Ernie Mehl as the first chairman of the volunteer-led organization, the Sports Commission's primary objectives rallied behind introducing a new professional baseball team, growing the number of Chiefs season ticket holders, and campaigning for the construction of a sports complex through the public and private sector. Through their commitment and diligence to achieve these goals, the Sports Commission garnered the support of various city leaders including Ewing Kauffman, Ray Evans, and Earl Smith.

As a testament to their dedication, the Sports Commission helped bring the Kansas City Royals and pass bond funding that led to the creation of the Truman Sports Complex, all within two years of their founding. By 1989, the organization was restructured as a 501(c)3 organization with Kevin M. Gray as its first paid staff member and Executive Director. Throughout its tenure, the organization has been housed at the Mid-America Lubermen's Association, the Cancer Society and finally in 2000, landed at 1308 Pennsylvania Avenue where the office was renamed The McGuff Sports Center, where it is currently located.

Since its inception, the Sports Commission has operated events such as Kansas City's Big 12 Run, the Kansas City Marathon presented by Garmin, and the Kansas City Sports Awards Banquet presented by Populous among many others. Additionally, it has helped organize and facilitate events such as the MLB All-Star Game in 2012, MLS All-Star Game in 2013, Kansas City Royals World Series Celebration and Parade in 2015, and the U.S. Gymnastics Championships in 2019. Under the leadership of President and CEO, Kathy Nelson, a KC native and leader, the Sports Commission is reaching new milestones in 2023 with a diverse sports event schedule that includes the Big 12 Tournament for men and women, a NCAA regional and the NFL Draft. The KC Sports Commission & Foundation have reached new horizons than ever before, bringing the Greater Kansas City area into the national and international spotlight. It is without a doubt that the city and its residents will reel in the benefits that will come from these events. The NFL Draft will show patrons locally and nationally the enthusiasm and spirit of our community and exhibit itself as an exemplary example to follow in our cities. This years' experience is expected to break records for having the largest stage and biggest screens in league history, offering a never-before-seen experience. As locals and visitors gather for one of the biggest events of the year, we honor and recognize the hard work of the Sports Commission that led us here. In three years from now, when Kansas City welcomes fans from all over the world for the 2026 World Cup, everyone will recognize the love and faith this organization has in its community. Ensuring that Kansas City was placed on the international stage was not an easy task, but the Sports Commission persevered and secured a spot as one of the host cities in the United States that'll offer a home to those tuning in for the world's most watched soccer event. There is no doubt that this organization will continue to thrive in the years to come by striving to reach new goals to better our community.

Mr. Speaker, I ask my colleagues to join me today in recognizing the Kansas City Sports

Commission and Foundation for their tremendous accomplishments, milestones, and service to the Greater Kansas City area. Their enthusiasm for sports and recreation, mission in enhancing the quality of life and opportunities of all residents, and commitment to service is a model for all. I speak with the voice of Missouri's entire Fifth Congressional District as we say a heartfelt "thank you" to the KC Sports Commission and Foundation as we celebrate and congratulate them on all their current achievements and those to come.

RECOGNIZING THE INTERNATIONAL WORLD PEACE ROSE GARDENS

HON. DORIS O. MATSUI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 5, 2023

Ms. MATSUI. Mr. Speaker, I rise today in honor of the International World Peace Rose Gardens and the founders—TJ "The Rose Man" David and Sylvia Villalobos—as they celebrate with community members at the 20th anniversary of the California State Capitol World Peace Rose Garden, located on the grounds of the California State Capitol. I would like to also recognize the 31st anniversary of the Martin Luther King, Jr. "I Have a Dream" World Peace Rose Garden that TJ David and Sylvia Villalobos will be attending on May 11th this year, along with members of the National Park Service and the Atlanta community.

Founded in 1988, the Sacramento-based non-profit organization celebrated in 1992 the first garden, the Martin Luther King, Jr. "I Have a Dream" World Peace Rose Garden, at the Martin Luther King, Jr. National Historical Park in Atlanta, Georgia. The organization now has ten World Peace Rose Gardens around the world, including the California State Capitol World Peace Rose Garden in Sacramento. TJ David and Sylvia Villalobos have been strong advocates in raising awareness of important national leaders and causes. They continue to provide inspiration for all. Through the Inspirational Messages of Peace Contest, youth in grades K–11th are invited to write about an aspect of peace they believe in.

Established in 2003, the California State Capitol World Peace Rose Garden in Sacramento is dedicated to peace for women, children, and families. Featuring more than 650 roses with hundreds of varieties, the garden serves as a public monument for international, intercultural, and interfaith understanding. This garden is the symbolic center for global programs that nurture creative expressions of peace by students. Forty-four plaques bearing messages of peace from children around the world are displayed throughout the garden, inspiring visitors as they relax or explore. The garden is one of the rare and few honored to display All American Rose Selections, featuring new types of roses never before seen by the public. The garden also honors veterans, with a dedicated section of roses named after wars, honor medals, and veterans.

Mr. Speaker, I ask all my colleagues to join me in thanking TJ "The Rose Man" David and Sylvia Villalobos for making their vision a reality by creating International World Peace Rose Gardens, spreading the message of

peace and harmony through the beauty of roses.

RECOGNIZING THE ARRIVAL OF "THE MOVING WALL" TO CORAL SPRINGS, FL

HON. JARED MOSKOWITZ

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 5, 2023

Mr. MOSKOWITZ. Mr. Speaker, I rise today to recognize 30 years of "The Moving Wall," a Vietnam Veterans Memorial Traveling Half-Size Replica, while it stops in Coral Springs, Florida from May 5th to May 7th.

The wall, a half-size replica of the permanent memorial in Washington, D.C., is sponsored by the Veterans Coalition of Coral Springs and the City of Coral Springs. Veterans built the Moving Wall replica and are traveling throughout the United States from April to November 2023. It has been touring the country for more than 30 years, marking the second time the Moving Wall will make its way to Coral Springs, previously having stopped in 2015.

The Vietnam War was one of America's longest and most challenging. From January 12, 1962, to March 29, 1973 the United States was engaged in combat operations against the Viet Cong. Over that time nearly nine million servicemembers contributed to the war efforts around the world. Battle of the jungles of Vietnam and throughout Southeast Asia resulted in 47,434 deaths and 2,583 Americans did not return home.

Many who returned home from Vietnam faced an imperfect Nation, one that they had risked all to defend. They returned to unfair treatment, to a lack of support, and a lack of public recognition of their service. We owe a tremendous debt of gratitude to each and every man and woman who served in our armed forces. Regardless of politics, we must never forget those who have risked all in the name of our great Nation.

Mr. Speaker, I ask that you join me in recognizing the 30 years of the Vietnam Veteran Moving Wall, the Coral Springs Veterans Coalition and giving a special thanks to the City of Coral Springs for sponsoring the visit of the Moving Wall.

RECOGNIZING BOB MILLER

HON. MIKE GALLAGHER

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Friday, May 5, 2023

Mr. GALLAGHER. Mr. Speaker, today I rise to recognize Bob Miller as the 2023 Recipient of the Luxemburg Casco Distinguished Alumni Award.

Born and raised on his family's farm in the Village of Luxemburg, WI, Bob grew up knowing the true meaning of hard work and developed an interest in agriculture at a young age. While attending Luxemburg High School, Bob was involved in many extracurricular activities such as football, basketball, National Honor Society and served as the President on the Student Council. Following his graduation from Luxemburg High School, Bob traveled to De

Pere to attend St. Norbert College. In 1969, Bob celebrated two outstanding milestones, graduating from college, and marrying the love of his life, Linda. Bob and Linda have two sons, Steve and Jeffrey and four grandchildren: Caleb, Rylee, Evelyn, and Isaac.

Following their marriage and throughout the years, Bob and Linda took over their family farm operation. For more than half a century, Bob and his family continued to run their family farm and became leaders in the north-eastern Wisconsin agricultural community. In addition to his family, Bob has also led a life of faith. Bob was ordained as a deacon by the Catholic Diocese of Green Bay in 2005 and served at the St. Mary Luxemburg Parish for years following.

It is quite evident that through these many examples, Bob has committed himself to making the world around him a better place. Bob is a true asset to our community and to Northeast Wisconsin. Luxemburg Casco and all of Northeast Wisconsin is proud that Bob calls our community home.

Mr. Speaker, please join me in congratulating Bob Miller for receiving the 2023 Luxemburg Casco Distinguished Alumni Award. Bob's dedication and commitment to the Luxemburg Casco community and Northeast Wisconsin is deserving of the highest degree of recognition.

HONORING DR. EUGENE EISENBURG

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 5, 2023

Mr. THOMPSON of California. Mr. Speaker, I rise today to recognize Dr. Eugene Eisenburg for receiving the Napa Solano Medical Society's Lifetime Achievement Award and for his 72 years working as a physician in Napa County.

The Napa Solano Medical Society's Lifetime Achievement Award is not granted every year. This high recognition is awarded to a few individuals with extraordinary compassion for their patients and who have been a notable mentor and role model for other physicians.

Dr. Eisenburg has demonstrated exceptional dedication to the study of medicine and to quality medical care. He earned his bachelor of arts in medical science from the University of California (UC), Berkeley and his master of science in pharmacology from the UC School of Medicine in San Francisco. He has been employed at numerous hospitals throughout California over the past seven decades, most recently at Queen of the Valley Hospital in Napa County, where he served as medical director of the Diabetic Wellness Program. Dr. Eisenburg also served his country in the Air Force Medical Corps, earning the rank of major. In addition, Dr. Eisenburg has offered his endocrinology services via private practices and consulting. Throughout his career, he has treated thousands of people and even delivered 105 babies.

Dr. Eisenburg has been an exemplary model and mentor for others in the medical field. From 1957 through 1990, he worked as an instructor and professor of clinical medicine for the UC School of Medicine. He spent 18 years as a clinical professor at UC Berkeley

as well. Among other honorary groups, he is an emeritus member of the Endocrine Society and has been a member of the California Medical Association for the last 69 years.

Our district is grateful that Dr. Eisenburg dedicated the last 27 years to serving the people of Napa County. When he first began working in Napa in 1995, the city and county had very few endocrinologists. Between his research, clinical work, and professional treatment, Dr. Eisenburg has helped advance endocrinology and made it more accessible for the residents of California's Fourth Congressional District.

Mr. Speaker, Dr. Eugene Eisenburg has dedicated his life to ensuring the health and wellness of those in our community.
